COVERAGES E, F, G and H

This insurance applies only to accidents or “occurrences” which take place during the term of this policy.

The limits of insurance are shown on the Coverage Summary page.

COVERAGE E – LEGAL LIABILITY

INSURING AGREEMENTS

We will pay all sums which you become legally liable to pay as compensatory damages because of unintentional “bodily injury” or “property damage” to which this insurance applies.

We will not pay punitive or exemplary damages, meaning that part of an award by a court which is in excess of compensatory damages and is stated or intended to be a punishment to you.

Except as otherwise provided by the **Fire Fighting Expense Limitation**, the limit of insurance shown for Coverage E on the Coverage Summary page is the maximum amount we will pay, under one or more sections of Coverage E, for all compensatory damages in respect of one “occurrence”, regardless of the number of:

1. persons insured;
2. claims made or actions brought; or
3. persons or organizations making claims or bringing actions.

If there is a claim payable under Coverage E that is insured by more than one policy with us, we will pay up to the greatest limit available on any one policy.

With respect to damages arising out of the “products hazard”, the limit of insurance shown for Coverage E is also the maximum amount we will pay for all occurrences during any 12-month period commencing with the effective date of this policy and the effective date of each

subsequent renewal. If the policy is extended for an additional period of less than 12 months, the additional period will be considered part of the last preceding 12-month period for the purposes of determining the amount of insurance.

All "bodily injury" and/or "property damage" arising out of continuous or repeated exposure to substantially the same general conditions shall be considered as arising out of one "occurrence".

In the case of "products hazard" all damages arising out of one crop or one prepared or acquired lot of goods or products manufactured, sold, handled or distributed by you shall be considered as arising out of one "occurrence".

SEPARATION OF INSURED – CROSS LIABILITY

Without increasing the limit of insurance shown on the Coverage Summary page, the insurance under Coverage E applies separately to each "insured person" against whom claim is made or suit is brought. However, this does not apply where a claim is made or a suit is brought against an "insured person" by his or her "spouse" or any of the following if living in the same household as the "insured person" at the time of the "occurrence" of the "bodily injury" or "property damage" in respect of which the claim is being made or the suit is being brought:

1. relatives of either the "insured person" or his or her "spouse", or
2. any person under the age of 21 in their care.

FIRE FIGHTING EXPENSE LIMITATION:

The limit shown on the Coverage Summary page for "Fire Fighting Expense Limitation" is the most we will pay during each twelve month term of this policy for third party expenses that "you" become legally obligated to pay, as imposed under any forest and/or prairie fire prevention act or equivalent legislation of any Province or Territory of Canada, for the costs or expenses for or associated with fighting, suppressing, controlling or extinguishing a fire that commences during the policy period. This limit applies regardless of the number of:

1. persons insured;
2. claims made or actions brought; or
3. persons or organizations making claims or bringing actions.

This insurance does not apply to:

1. any fire fighting expenses of the "Insured", its employees or agents;
2. any fines and penalties imposed upon the Insured;
3. any fire fighting expenses of contractors or subcontractors engaged by "you" at the time the fire occurs;
4. any fire fighting expense if it is found that in the circumstances giving rise to the costs, "you" had deliberately and knowingly contravened any of the sections or subsections in any forest and/or prairie fire prevention act or equivalent legislation of any Province or Territory of Canada in respect of the lighting, controlling or extinguishing of fires.

COVERAGE E INSURANCE

Subject to all Exclusions and Conditions of this policy, you are insured for claims made against you arising from your "legal liability" for:

2. **Premises Liability** – "bodily injury" or "property damage" arising out of the ownership, use or occupancy of the "insured premises".
3. **Farm Operations Liability** – "bodily injury" or "property damage" arising out of your "farming" operations.
4. **Contractual Liability** – "bodily injury" or "property damage" for which you are obligated to pay compensatory damages because prior to the "occurrence" for which the claim is made you assumed liability of others in a written contract or agreement pertaining to

the “insured premises”. You are not insured for liability assumed in any contract or agreement:

- a. where you assume liability for the sole negligence of the other party or parties to the contract or agreement; or
- b. in connection with any “business” or “business” use of the “insured premises”.

5. **Tenants Legal Liability** – “property damage” to “premises” you do not own, including their contents, which you are using, renting or have in your care, custody or control.

You are insured to the same extent that damage to your own property is insured under Section I, except that the Coverage E limit will apply. If no building is insured in Section I, the “Insured Perils”, Exclusions and Limitations that apply to your personal property will apply to your “legal liability” for “property damage”, as insured by this coverage, to buildings as well as to contents. The deductible amount applicable to Section I applies to this coverage, except for damage caused by the following perils as defined and limited under “Insured Perils” of Homeowners Form A: Fire; Explosion or Implosion; Smoke; Falling Objects; Impact by Aircraft; Impact by Land Vehicle; Water Escape, Rupture, Freezing; Glass Breakage; Transportation or Electricity.

You are not insured for “property damage” to buildings or structures, including their contents, on the “farm premises”, other than a residence building you do not own and which you occupy solely for residential purposes. You are not insured for liability you have assumed by contract unless your “legal liability” would have applied even if no contract had been in force. This insurance does not apply to “property damage” to “premises” you are using for “business” purposes.

6. **Employer's Liability** – “bodily injury” to “residence employees” and “farm employees” arising out of and in the course of their employment by you. Your “legal liability” for “bodily injury” to “farm employees” is insured only if the Coverage Summary page indicates that “Employer's Liability” is included.

You are not insured for claims made against you resulting from the ownership, use or operation of any aircraft or air cushion vehicle while being operated or maintained by your employee.

You are not insured for liability imposed upon or assumed by you under any worker's compensation statute, or assumed by you under any contract or agreement with an employee.

You are not insured for claims made against you for “bodily injury” to a person employed by you in violation of any law relating to age.

7. **Watercraft Liability** – “bodily injury” or “property damage” arising out of:

- a. **Watercraft You Own:** the ownership, maintenance, use or operation of watercraft equipped with an outboard motor or motors of not more than 19kW (25 h.p.) in total when used with or on a single watercraft. You are also insured if your watercraft has an inboard or an inboard/outboard motor of not more than 38kW (50 h.p.) or for any other type of watercraft not more than 8 meters (26 feet) in length.

If you own jet propulsion personal watercraft, you are insured only if the Coverage Summary page states: “Jet Propulsion Personal Watercraft Liability”.

If you own motor(s) or watercraft other than those stated above, you are insured only if “Watercraft Liability Extension” is shown on the Coverage Summary page. If they are acquired after the effective date of this policy, you will be insured automatically for a period of 30 days only from the date of their acquisition.

- b. **Watercraft You Do Not Own:** your use or operation of watercraft

that you do not own, provided:

You are not insured for damage to the watercraft itself.

 - i) the vehicle is not subject to motor vehicle registration and is designed primarily for use off public roads;

You are not insured for "property damage" to the vehicle itself.

- c. Attached Machinery: the functional use or operation, for your "farming" purposes, of machinery or apparatus mounted on or attached to a motorized vehicle, while at the site of the use or operation of such machinery or apparatus.

This insurance (Motorized Vehicle Liability) does not apply, either as primary or excess coverage, to "bodily injury" or "property damage" with respect to which any motor vehicle liability insurance is in effect or is required by law to be in effect.

We do not insure claims made against you arising from the use or operation of any motorized vehicle, whether owned by you or not, while you are operating or controlling it while under the influence of intoxicating liquor or drugs to such an extent as to be for the time being incapable of the proper operation or control of the vehicle, or while your alcohol-blood ratio exceeds 80 milligrams of alcohol in 100 milliliters of blood.

9. **Trailer Liability** – “bodily injury” or “property damage” arising out of your ownership, maintenance, use or operation of any utility, boat, camp or home trailer or its equipment, provided that such trailer is not being towed by, attached to or carried on a motorized vehicle.
10. **Business and Business Property Liability** – “bodily injury” or “property damage” arising out of:

DEFENSE, SETTLEMENT, SUPPLEMENTARY PAYMENTS

We will defend you against any suit which makes claims against you for which you are insured under Coverage E and which alleges “bodily injury” or “property damage” and seeks compensatory damages, even if it is groundless, false or fraudulent. We reserve the right to investigate, negotiate and settle any claim or suit if we decide this is appropriate.

BASIS OF CLAIM PAYMENT**

Unless otherwise stated in this policy, we will pay for insured loss or damage arising out of any one occurrence up to whichever is the least of:

1. your financial interest in the property;
2. the Actual Cash Value of the loss or damage at the date of the occurrence;
3. the amount it would cost to repair or replace the property with materials of similar quality; or
4. the applicable limit(s) of insurance shown in this policy.

This applies even if more than one person or organization has an insurable interest in the property insured.

Actual Cash Value: The Actual Cash Value will take into account such things as the cost of replacement less any depreciation, and in determining depreciation, we will consider the condition immediately before the damage, the resale value and the normal life expectancy.

Any loss or damage shall not reduce the amount of insurance provided by this policy.

Deductible: We are responsible only for the amount by which the loss or damage caused by any of the “Insured Perils” exceeds the amount of the deductible shown on the Coverage Summary page in any one occurrence.

Loss Limit: If the Coverage Summary page specifies a Loss Limit amount and there is insured loss or damage to more than one item

insured under Section V of this policy arising from any one occurrence, we will not pay more, in all, than the specified Loss Limit amount.

Obsolescence: We will not pay for increased costs that result when you cannot repair or replace your property because material or parts are unavailable, obsolete, or outmoded. We will pay only the cost that would have been required if material or parts were available. We will pay on the basis of the last known cost of material or parts.

Insurance Under More than One Policy: If you have other insurance on specifically described property, our policy will be considered excess insurance and we will not pay any loss or claim until the amount of such other insurance is used up.

In all other cases, our policy will pay its rateable proportion of the loss or claim.

Subrogation: We will be entitled to assume all your rights of recovery against others and may bring action in your name to enforce these rights when we make payment or assume liability under this policy.

If the net amount recovered, after deducting recovery costs, is less than the amount of the loss, the net amount recovered will be divided between you and us in the proportion that the loss has been borne by each of us respectively.

Your right to recover from us is not affected by any release from liability entered into by you prior to loss.

EXTENSIONS OF COVER

Fire Department Charges

We will pay up to **\$1,000** or such other amount as may be specified on the Coverage Summary page, for your liability for Fire Department Charges incurred when a Fire Department is called to save or protect your premises. No deductible applies to this coverage. You may not claim under this extension if you have insurance for Fire Department Charges under Section I of your Personal Insurance Policy.

The following Extensions of Cover shall not increase the amounts of protection applying under this Policy to the property damaged or destroyed:

Debris Removal Expense

The limit of insurance includes the expense incurred in the removal of debris of insured property which has been damaged or destroyed by an "insured peril". If the property is subject to a Co-Insurance Clause, the debris removal expense will not be considered in determining value for the purpose of applying the Co-Insurance Clause.

Removal of Property

If you must remove insured property from "your premises" to protect it from loss or damage, it is insured by this policy for 30 days or until your policy term ends, whichever occurs first. The amount of insurance will be divided in the proportions that the value of the property removed bears to the value of all property at the time of loss.

We will pay up to **\$1,000** in any one occurrence, as additional insurance, for direct physical loss or damage by an "insured peril" to private power and light poles and outside wiring you own, located on "your premises", including switch boxes, fuse boxes and other electrical equipment mounted on poles you own at "your premises." The **\$1,000** limit applies in excess of the deductible amount.

D. REPLACEMENT COST OPTION

If there is loss or damage to a building or structure insured by this rider, you may choose as the basis of loss settlement either Option A or Option B below, provided that:

1. the building or structure is used for the purpose for which it was built or has been altered in a manner suitable for current use,
2. the building or structure is not more than 15 years old,
3. the building or structure is on a masonry foundation and is fully enclosed,
4. you repair or replace the property within 180 days after the date on which the loss or damage occurs,

otherwise settlement will be as set out for Option B.

OPTION A:

Replacement Cost Settlement: **Replacement Cost** means the cost, at the time of the loss, of repair or replacement (whichever is less) with new property of similar kind and quality, without deduction for depreciation.

If replacement is necessary, you replace the building on the same site, or within 200 feet (65 meters) thereof, with a building designed for the same purpose for which the destroyed building was originally intended, and

If you have other insurance on the building insuring against the same perils as this policy, it must include "Replacement Cost" cover identical to this endorsement, otherwise, settlement will be as if this endorsement had not been in effect.

We will not pay more than the applicable limit of insurance shown on the Coverage Summary page, nor will we pay a greater proportion of the loss than the limit of insurance bears to 80% of the Replacement Cost of the property at the time of the loss.

OPTION B:

Actual Cash Value Settlement: The Actual Cash Value of the loss or damage at the time of the loss, but not exceeding the applicable limit of insurance shown on the Coverage Summary page. Actual Cash Value will take into account such things as the cost of replacement less any depreciation, and in determining depreciation we will consider the condition immediately before the damage, the resale value, and the normal life expectancy.

We will not pay a greater proportion of the loss than the limit of insurance bears to 80% of the Actual Cash Value of the property at the time of the loss.

E. REPLACEMENT COST ENDORSEMENT

Applicable only to a building or structure for which "Replacement Cost" is indicated on the Coverage Summary page.

If there is loss or damage to the building by an insured peril, you may, at your option, choose the "Basis of Loss Settlement" set out below, provided:

- a. you repair or replace the damaged or destroyed building within a reasonable time after the loss, and
- b. you use materials of similar kind and quality for repair or replacement, and
- c. if replacement is necessary, you replace the building on the same site, or within 200 feet (65 meters) thereof, with a building designed for the same purpose for which the destroyed building was originally intended, and
- d. if you have other insurance on the building insuring against the same perils as this policy, it must include "Replacement Cost" cover identical to this endorsement;

otherwise, settlement will be as if this endorsement had not been in effect.

We do not pay for any loss, expense or increased cost of repair or replacement due to the operation of any law or ordinance regulating the zoning, demolition, repair or construction of buildings and their related services.

If there is more than one item insured for "Replacement Cost", this endorsement shall apply separately to each item to which it is applicable.

Basis of Loss Settlement: The cost of repairs or replacement (whichever is less) without deduction for depreciation, in which case we will pay in the proportion that the applicable amount of insurance bears to 80% of the Replacement Cost of the damaged building at the date of damage, but not exceeding the actual cost incurred, or the applicable amount of insurance, whichever is less.

F. SPECIAL LIMITS OF INSURANCE

1. Average Distribution Clause:

If you have a single limit of insurance on more than one building, the limit of insurance will be divided in the proportions that the value of each building bears to the total value of all buildings at the time of the loss. If you have a single limit of insurance on the contents of more than one building, the limit of insurance will be divided in the proportions that the value of the contents of each building bears to the total value of the contents of all buildings at the time of the loss.

If you have a single limit of insurance on corrals, the limit of insurance will be divided in the proportions that the value of each corral bears to the total value of all corrals at the time of the loss.

2. Co-Insurance Clause: Applicable if indicated on the Coverage Summary Page.

We will not pay a greater proportion of any loss than the applicable limit of insurance bears to 80% of the Actual Cash Value of the insured property at the time of the loss. If two or more items are insured, this clause will apply separately to each item.

3. Salvage Value Clause: Applicable if indicated on the Coverage Summary page.

In the event of loss or damage to the building by an "insured peril", if repair or replacement is not or cannot be made within a reasonable time after the loss, we will not pay more than the "Salvage Value" of the building. "Salvage Value" means the market value, immediately prior to the loss, of the used materials comprising the building, excluding any labor costs.

4. Dent Clause: Applicable if indicated on the Coverage Summary page.

We do not pay for damage to the outer metal cover of the building or structure caused by hail, whether driven by wind or not, unless such cover is punctured by the hail.

5. Deferred Loss Settlement Clause: Applicable only to a building or structure for which "Deferred Loss Settlement Clause" is indicated on the Coverage Summary page.

If there is loss or damage to the building by an "insured peril", the Basis of Claim Payment will be as follows:

- a. We will not pay more than 50% of the amount we would otherwise have paid if this clause had not been in effect.

- b. If you repair or replace the damaged or destroyed building within nine months of the date of the loss or damage, and, if replacement is necessary, you replace the building on the same site or within 200 ft. (65 m) with a building designed for the same purpose for which the destroyed building was originally intended, we will, upon receipt of satisfactory evidence of your expenditures for such repair or replacement, pay the remaining 50% of the loss. Our total payment under paragraphs (a) and (b) above will not exceed:
 - i) the expense you have actually incurred for repair or replacement;
 - ii) the actual cash value of the building at the time of loss;
 - iii) the applicable amount of insurance; or
 - iv) your financial interest in the building;
 whichever is least.
- c. If you do not repair or replace the damaged or destroyed building within the provisions of paragraph (b) above, the reduced payment you receive under the provisions of paragraph (a) shall constitute full and final settlement under this policy with respect to such loss. We will then refund one-half the premium you paid us for the insurance on the building, if you request us to do so within one year from the date the loss or damage occurs.
- d. If you have other insurance on the building, we will pay our rateable proportion of the loss subject to the terms and conditions of this clause.
We do not pay for any loss, expense or increased cost of repair or replacement due to the operation of any law or ordinance regulating zoning, demolition, repair or construction of buildings and their related services.

This exclusion does not apply to trailers used in connection with your "farming" operations and which are not required to be licensed for use on public roads;

B. EXTENSIONS OF COVERAGE - Newly Acquired Machinery

"**Additional Machinery**" means mobile farm implements or machinery acquired by you, as owner or lessee, after the inception or last renewal date of this Rider, whichever is later, and used for your "farming" operations, other than "Replacement Machinery" defined below.

"**Replacement Machinery**" means mobile farm implements or

machinery you acquire, as owner or lessee, to replace an item of machinery insured by this Rider which you have disposed of. The "Replacement Machinery" must be designed for the same purpose as the item it replaces.

1. Scheduled Cover

- a. "Additional Machinery" is automatically insured for an amount equal to 25% of the total limit of insurance on all scheduled items or **\$50,000**, whichever is less.
- b. "Replacement Machinery": The insurance on the replaced item will automatically transfer to the Replacement Machinery, with the limit of insurance increased by **\$50,000**.

The insurance under (a) and (b) above is limited to a period of 30 days from the date you acquire the "Additional or Replacement Machinery" or until it is added to the schedule, whichever is first, but not past the date on which this policy expires or is cancelled.

If you acquire more than one item of "Additional or Replacement Machinery" within a 30-day period, the **\$50,000** referred to in (a) and (b) above will not apply to each item. It will be divided among the newly acquired items in the proportions that the value of each item bears to the value of all items.

The insurance on newly acquired machinery as provided for in (a) and (b) above is subject to the Co-Insurance Clause.

2. Blanket Cover

If you acquire "Additional or Replacement Machinery", the limit of insurance applicable to "Blanket Cover", as stated on the Coverage Summary page, will be increased by 25% or **\$50,000**, whichever is less, from the date you acquire the "Additional or Replacement Machinery" until 30 days thereafter or until the limit of insurance for "Blanket Cover" is changed at your request, whichever is first, but not past the date on which this policy expires or is cancelled. The 25% or **\$50,000** referred to above is the maximum increase that will apply regardless of the number of additional or replacement items you acquire within the 30-day period.

The value of "Additional or Replacement Machinery" is subject to the Co-Insurance Clause.

C. PROPERTY NOT INSURED--Applicable to Scheduled Cover and Blanket Cover.

We do not insure:

1. Property engaged in "custom farming" or while in transit in connection with "custom farming", unless permission for "custom farming" is stated on the Coverage Summary page;
2. Underground property including wells, piping, and wiring, or the cost of excavation for any of these;
3. Property used for logging, forestry, or sawmill operations;
4. Property used for brush cutting or land clearing unless permission for such use is stated on the Coverage Summary page;
5. Property used commercially for any purpose other than your "farming" operations, unless permission for such use is stated on the Coverage Summary page.

D. INSURED PERILS

damage from any external cause, except the following:

We do not insure:

1. loss or damage caused by or resulting from wear, tear, gradual deterioration, latent defect, inherent vice, dryness or dampness of atmosphere, freezing or extremes of temperature, scraping, scratching, insects, rodents, vermin, skunks, moles, mice, raccoons or domesticated animals;
2. loss or damage caused by or resulting from:
 - a. mechanical or electrical breakdown, disturbance or failure, or
 - b. repairing, adjusting (including the necessary adjustments to a machine to place it into or out of its transporting position), servicing, fueling or maintenance operations, but if any of these result in fire or explosion, we will pay only for the resulting loss or damage to the insured property caused by the fire or explosion;
3. loss or damage to tires or tubes unless the loss or damage is caused by fire, lightning, explosion, windstorm, vandalism or theft, or is coincident with other loss or damage insured by this Rider;
4. internal damage to combines, balers, forage harvesters or other harvesting equipment caused by clogging, compacting, plugging or piling up of straw, hay, or other material intended to be ingested into the machine;
5. mysterious disappearance or unexplained loss;
6. accumulative damage, however caused;
7. loss or damage caused by earthquake.

The General Exclusions on page 21 are applicable to this Rider.

E. DEDUCTIBLE

The deductible clause shown under “Basis of Claim Payment” is replaced by the following:

1. In case of internal damage caused by a foreign object(s) being ingested into a combine, baler, swather, haybine, forage harvester or other harvesting equipment, we are responsible only for the amount by which the loss or damage in any one occurrence exceeds whichever is the greater of:
 - a. 25% of the amount of the loss or damage, or
 - b. **\$2,500**, or
 - c. the amount of the deductible shown on the Coverage Summary page.
2. In case of loss or damage to irrigation equipment which is not within a fully enclosed building, caused by windstorm during a season when the irrigation equipment is not in use or by the weight of ice, sleet or snow or caused by rutting or grounding out of any part of the irrigation system while in use, we are responsible only for the amount by which the loss or damage in any one occurrence exceeds whichever is the greater of:
 - a. 10% of the amount of the loss or damage, or
 - b. **\$1,000**, or
 - c. the amount of the deductible shown on the Coverage Summary page.
3. In case of loss or damage caused by any “insured peril” other than stated in 1. or 2. above, we are responsible only for the amount by which the loss or damage exceeds the amount of the deductible shown on the Coverage Summary page in any one occurrence.

F. REPLACEMENT COST OPTION

If there is loss or damage to property insured by this rider, you may choose as the basis of loss settlement either Option A or Option B below, provided that:

1. you were the first to have possession of the property, whether as owner or lessee, except for the selling dealer;
2. the loss or damage occurs within 36 months from the date you first took possession of the property as owner/lessee; and
3. you repair or replace the property within 180 days after the date on which the loss or damage occurs,

otherwise, settlement will be as set out for Option B.

If the 36 months referred to in 2. above ends within the term of this policy, you may still choose either Option A or Option B if the loss or damage occurs before the next policy anniversary date following the end of the 36-month period, provided you repair or replace the property within 180 days after the date on which the loss or damage occurs.

OPTION A:

Replacement Cost Settlement: “**Replacement Cost**” means the cost, at the time of the loss, of repair or replacement (whichever is less) with new property of similar kind and quality, without deduction for depreciation.

We will not pay more than the applicable limit of insurance shown on the Coverage Summary page, nor will we pay a greater proportion of the loss than the limit of insurance bears to 80% of the “Replacement Cost” of the property at the time of the loss.

OPTION B:

Actual Cash Value Settlement: The Actual Cash Value of the loss or damage at the time of the loss, but not exceeding the applicable limit of insurance shown on the Coverage Summary page. Actual Cash Value will take into account such things as the cost of replacement less any depreciation, and in determining depreciation we will consider the condition immediately before the damage, the resale value, and the normal life expectancy.

We will not pay a greater proportion of the loss than the limit of insurance bears to 80% of the Actual Cash Value of the property at the time of the loss.

G. REPLACEMENT COST COVERAGE

Applicable only to farm implements and machinery for which “Replacement Cost” is indicated on the Coverage Summary page.

If there is loss or damage to the farm implement or machine by an insured peril, you may choose the “Basis of Loss Settlement” set out below, provided:

1. the property at the time of the loss was useable for its original intended purpose and
2. the property was manufactured no earlier than five calendar years preceding the year in which the loss occurs and
3. you repair or replace the property within a reasonable time after the loss,

otherwise settlement will be as if this coverage had not been in effect.

If there is more than one item insured for “Replacement Cost”, this endorsement shall apply separately to each item to which it is applicable.

Basis of Settlement: The cost of repairs or replacement (whichever is less) without deduction for depreciation, in which case we will pay in the proportion that the applicable amount of insurance bears to 80% of the Replacement Cost of the damaged equipment at the date of damage, but not exceeding the actual cost incurred, or the applicable amount of insurance, whichever is less.

H. TERRITORIAL LIMITS

We insure the described property while on “your premises” and while temporarily away from “your premises” anywhere in Canada. However, if the Coverage Summary page indicates

“Premises Coverage only”, we insure the property only while it is on “your premises”.

I. LOSS OF USE EXTENSION--Applicable only if a limit is shown for “Loss of Use” on the Coverage Summary page.

We agree to pay for expenses incurred by you for the rental of mobile farm machinery similar in size and capacity to an item insured by this rider which has become inoperative because of loss or damage exceeding the deductible amount and caused by an “insured peril”.

Our payment shall be limited to 90% of the actual rental expense incurred by you, up to the limit shown on the Coverage Summary page for “Loss of Use”.

Payment shall end on the date of completion of repairs or replacement of the lost or damaged property or on the date that we make or tender settlement for such loss, whichever is first.

This extension does not apply to any machinery which has become inoperative while being used for “custom farming” or any “business” use.

I. FARM LIVESTOCK REPORTING FORM ENDORSEMENT

The following terms, conditions, and limitations shall apply to Rider FP-4 Farm Livestock, attached to and forming part of this policy.

This endorsement deletes Co-Insurance Clause and adds the following clauses:

Provisional Amount

(a) It is the intent of this policy to insure the total value of the property insured subject to the limits of liability. Any loss in excess of such limits shall be borne by the Insured to the extent of such excess notwithstanding the requirement that premium is to be adjusted on the basis of full values reported.

Value Reporting

(b) It is a condition of this policy that the Insured shall report to the Insurer in writing, giving the total number of animals at risk and the total value based on, as at the last day of each month; such reports to be submitted at the end of each month period after inception of this policy.

Value Reporting in Relation to Loss Settlement

(c) In case of loss, liability hereunder shall not exceed that proportion of the loss which the last reported value, filed prior to the loss, bears to the total actual value of said property on the date for which such report is made.

If, at the time of loss, the Insured has failed to file reports in accordance with Clause 2 (b) of this endorsement, this policy covers for not more than the amounts included in the last report of values filed in writing prior to loss, and further, if such delinquent report is the first report of values to be filed, this policy covers for not more than 75% of the applicable Limits of Liability.

Premium Adjustment

(d) It is agreed that the premium named in this policy is provisional. The actual premium shall be determined, at the expiration of the policy term, by application of the following formula:

(i) An average of the total values reported shall be made, and if the premium on such average values at the Annual Rate applying at each location exceeds the provisional premium, the Insured shall pay an additional premium for such excess. If such premium is less than the provisional premium, the Insurer shall refund to the Insured any excess paid, but subject to a minimum retained premium of two hundred dollars (**\$200**).

In the event of any report not being made within the period stipulated in the Clause (b) of this endorsement, then for purpose of adjustment of premium only, an amount representing the provisional amount of insurance shall be taken as the value at risk on the day fixed for ascertaining values.

(ii) In the event the full limit of liability under this policy becomes payable, the Insured shall pay an additional premium computed from the date of loss to the expiration of the policy term on the amount of such loss payment. Such premium may be deducted from the loss payment.

Verification of Values

- (e) The Insurer or its duly appointed representative shall be permitted at all reasonable times during the term of this policy, or within a year after expiration, to inspect the property insured and to examine the Insured's books, records and such policies as relate to any property insured hereunder. Such inspection or examination shall not waive nor in any manner affect any of the terms or conditions of this policy.

 - c. to tires or tubes unless the loss or damage is coincident with other loss or damage to the insured property;
6. Theft, unless the Coverage Summary page indicates "excluding theft". This peril does not include any mysterious disappearance or unexplained loss.

If the Coverage Summary page indicates "limited theft", this peril is limited to theft of insured property from within a building on the "farm premises" following illegal and forcible entry into the building, leaving visible marks at the point of forced entry.

Cover Code C: If the Coverage Summary page specifies Cover Code C, you are insured against all risks of direct physical loss or damage from any external cause, except the following:

F. EXTENSION OF COVER – CUSTOM FARMING

Permission is hereby granted for property insured by this Rider to be used by you for "custom farming" provided the remuneration received for such "custom farming" does not exceed \$10,000 gross receipts in total during the policy term.

G. REPLACEMENT COST COVERAGE

In the event of loss or damage to property insured by this Rider, we agree to pay such loss on the basis of "Replacement Cost", provided that:

1. the property at the time of the loss was useable for its original intended purpose, and
2. you repair or replace the property within 180 days after the date on which the loss or damage occurs,

otherwise settlement will be as if this coverage had not been in effect.

The Co-insurance Clause (Clause E) of this Rider is amended to

read as follows for each item to which "Replacement Cost" coverage applies:

E. CO-INSURANCE: We will not pay a greater proportion of any loss than the applicable limit of insurance bears to 80% of the "Replacement Cost" of the insured property at the time of the loss. If two or more items are insured, this condition will apply separately to each item.

"Replacement Cost" means the cost, at the time of loss, of repair or replacement (whichever is lower) with new property of similar kind and quality, without deduction for depreciation, but we will not pay more than the applicable limit of insurance shown on the Coverage Summary page.

Separate limits of insurance apply to the semen and the tank, as shown on the Coverage Summary page.

If you have more than one semen tank, the limit of insurance on tanks will be divided in the proportion that the value of each tank bears to the value of all tanks, and the limit of insurance on semen will be divided in the proportion that the value of semen in each tank bears to the total value of semen in all tanks.

The General Exclusions on page 21 are applicable to this Rider.

RIDER FP11 BLANKET EARNINGS AND EXTRA EXPENSE

If the Coverage Summary page indicates that Rider FP11 applies, we provide the insurance described below in return for payment of the premium.

A. DEFINITIONS -- As used in this Rider:

“**business**” or “**operations**” means your “farming” operations at the location(s) shown on the Coverage Summary page.

“**earnings**” means your net profit before income taxes, plus all operating expenses earned by your “business”. If your “business” is not operating at a profit, “earnings” will be determined by subtracting your net loss before income taxes from continuing operating expenses.

“**extra expense**” means the expense you incur during the “period of restoration” which you would not have incurred if there had been no “insured loss” and which is necessary to continue as nearly as possible the normal conduct of your “farming” operations. This includes the expense of using other property or facilities of others.

“**insured loss**” means:

1. loss or damage to buildings or structures or their contents for which indemnity is payable under Rider FP1 of this policy, and
2. death or necessary destruction of livestock for which indemnity is payable under Rider FP4 of this policy.

“**period of restoration**” means the period, beginning with the date on which the “insured loss” occurs, which would reasonably be required to repair, rebuild or replace the damaged or destroyed property, not limited by the expiry date of this policy.

The “period of restoration” does not include any additional time needed because of any law or ordinance regulating the zoning, demolition, repair or construction of buildings or their related services.

B. DESCRIPTION OF COVERAGE

We insure your loss of “earnings” (less operating expenses which do not necessarily continue) and the “extra expense” you incur, directly resulting from the interruption of your “business” due to an “insured loss” which occurs while this Rider is in force. We will pay only for the loss of “earnings” and “extra expense” you incur during the “period of restoration”.

We also insure:

1. expenses you necessarily incur for the purpose of reducing any loss under this Rider (except expense incurred to extinguish a fire) but not exceeding the amount by which such loss is thereby reduced;
2. “extra expense” incurred in obtaining property for temporary use during the “period of restoration” which is necessary for

the conduct of your "business". We will deduct the salvage value that remains of any property bought for temporary use, after you have resumed normal operations.

C. LOSSES EXCLUDED

All the exclusions in riders FP1 and FP4 as well as the following exclusions apply to this Rider.

We do not insure:

1. the cost of repairing or replacing damaged or destroyed property;
2. any increase of loss due to the operation of any law or ordinance regulating the zoning, demolition, repair or construction of buildings or their related services;
3. any increase of loss due to interference at "your premises" by strikers or other persons with rebuilding, repairing or replacing damaged or destroyed property, or with the resumption or continuation of your "business";
4. loss due to fines or damages for breach of contract for late or non-completion of orders, or for any penalties of any nature;
5. loss due to the suspension, lapse or cancellation of any lease, license, contract or order. However, if the suspension, lapse or cancellation results directly from the interruption of your "business" by an "insured loss", we will insure any resulting loss of "earnings", but only during the "period of restoration";
6. the cost of compiling books of accounts, abstracts, drawings, card index systems or other records including film, tape, disc, drum, cell or other magnetic recording or storage media for electronic data processing.

D. BASIS OF LOSS SETTLEMENT

When an earnings or extra expense loss occurs, the following will be considered in determining the loss settlement:

1. **"Earnings":** Your amount of "earnings" loss will be determined taking into consideration:
 - a. the net income of your "business" before the insured loss occurred;
 - b. the probable net income if no insured loss had occurred;
 - c. the operating expenses, including payroll expense, necessary to resume operations to the same extent that existed just before the insured loss, and
 - d. other sources of information on your "business" such as your financial records, bills, invoices and other similar documents.
2. **Your Responsibility for Resuming Operations:** If you can reduce your loss by resuming operations on "your premises" or elsewhere, using damaged or undamaged property, you agree to do so.

We will reduce the amount of your "earnings" loss to the extent you can resume operations in whole or in part by using damaged or undamaged property at "your premises" or elsewhere.

We will reduce the amount of your "extra expense" loss to the extent you can return your operations to normal and discontinue extra expenses.
3. **Limitation – Electronic Data Processing Media and Records:**

When an insured loss of earnings results from damage to or destruction of electronic data processing media or records, we will pay for such loss of earnings only for a period of 30

consecutive days or the length of time it should reasonably take to repair, rebuild or replace other property damaged or destroyed by the same occurrence, whichever is the greater period of time.

4. **Limit of Insurance:** In any 30 consecutive calendar days, we will not pay more than the amount obtained by applying the percentage shown on the Coverage Summary page as the "Monthly Limit" to the limit of insurance applicable to this Rider.

In all, we will not pay more than the limit of insurance applicable to this Rider for loss of earnings and "extra expense" combined arising from any one occurrence.
