It is understood between the Insurer and Insured that if compensation becomes payable before the entire policy premium has been paid, the portion of the premium remaining unpaid shall be deducted from the amount of the compensation payable.

If you qualify for a tax credit as the result of a claim payment, the claim payment will be reduced by an amount equal to the tax credit.

Deductible - We are responsible only for the amount by which the loss or damage caused by any of the Insured Perils exceeds the amount of the deductible shown on the Coverage Summary Page in any one occurrence.

If your claim involves personal property on which the Special Limits of Insurance apply, the limitations apply to losses exceeding the deductible amount.

If your claim involves property at more than one location, separate deductibles will apply at each location.

Deductible Waiver - Applies only to: Standard Form Packages – 991; Broad Form Packages – 992; and Comprehensive Form Packages – 993; EXTRA Form Package 998 - The deductible shown on the Coverage Summary Page will be waived on fire claims only if the insured

value of the claim is greater than \$25,000, or 5 times the deductible for the applicable coverage (whichever is greater), unless otherwise indicated on the Coverage Summary Page.

Obsolescence Clause - We will not pay for increased costs that result when you cannot repair or replace your "Dwelling", any other building or "Personal Property" because materials and/or parts are unavailable, obsolete, or outmoded. We will pay on the basis of building materials, craftsmanship, methods of construction and parts or "Personal Property" currently available and accepted as standard. To further clarify, in the event that new materials and/or parts or "Personal Property" of like kind and quality are not available or are obsolete, new materials and/or parts or "Personal Property" which are as similar as possible to that damaged or destroyed and which are capable of performing the same function shall be deemed to be new materials and/or parts or "Personal Property" of like kind and quality.

Optional Loss Settlement Clause (Dwelling Building and Detached Private Structures) – NOT applicable to EXTRA

Homeowners Package – Form 998- If the Coverage Summary Page indicates this clause applies, and if you repair or replace the damaged or destroyed building on the same location with a building of the same occupancy constructed with materials of similar quality within a reasonable time after the damage, you may choose as the basis of loss settlement either 1 or 2 below; otherwise, settlement will be as in 2:

1. The cost of repairs or replacement (whichever is less) without deduction for depreciation, in which case we will pay in the proportion that the applicable amount of insurance bears to 80% of the replacement cost of the damaged building at the date of damage, but not exceeding the actual cost incurred. This means that if the amount of insurance is less than 80% of the replacement cost of your building, you will have to pay part of the loss.
2. The Actual Cash Value of the damage at the date of the occurrence.

Option (1) is not applicable to buildings or structures designed for business or farming purposes whether occupied, unoccupied or "Vacant", unless such building or structure is specifically scheduled on the Coverage Summary Page and identified as being subject to the Optional Loss Settlement Clause.

EXTRA Rebuilding Cost Clause – (Dwelling Building and Detached Private Structures) - applicable only to EXTRA

Homeowners Package – Form 998 If the Coverage Summary Page indicates that this clause applies, and in the event of a loss to either the Dwelling or Outbuildings insured by this policy, we agree to pay:

1. Up to the Limit of Insurance, or;
2. Up to the cost to repair or rebuild the damaged or destroyed building with a building of the same occupancy constructed with materials of similar quality if less than the Limit of Insurance;

Whichever is less, without deduction for depreciation.

Personal Property - We will pay the Actual Cash Value of the damage up to the applicable amount of insurance, unless otherwise indicated.

Reinstatement - Any loss or damage shall not reduce the amounts of insurance provided by this policy (unless otherwise stated elsewhere), however the premium for the coverage claimed will be deemed fully earned for the balance of the policy term if the limit of insurance for that coverage has been exhausted.

Replacement Cost means the cost, at the time of loss, of repair or replacement (whichever is lower) with new property of similar kind and quality, without deduction for depreciation.

Roof Surface Coverage

Any direct loss or damage to the Roof Surface of a Dwelling or Detached Private Structure caused by Windstorm or "Hail Damage" will be settled on a Replacement Cost basis, which means the cost, including labour, on the date of the loss or damage, of the lesser of:

1. Repairing the Roof Surface with materials of similar kind, quality and usefulness, or if necessary;
2. Replacing the Roof Surface with new materials of similar kind, quality and usefulness.

UNLESS either of the following two conditions apply:

1. The Roof Surface is older than 10 years and shows evidence of "excessive wear and tear or deterioration", or;
2. The Coverage Summary Page indicates that Depreciated Roof Coverage – Form 2132 applies.

In these situations, the loss will be settled based on the Roof Surface Depreciation Schedule (listed below)

Roof Surface Depreciation Schedule

Roof Surface Material	Annual Depreciation Percentage After 10 Years	Maximum Depreciation
Asphalt, Fiberglass or Composition	5%	75%
Wood Shingles	4%	75%
Wood Shakes	3%	75%
Tar & Gravel	3%	75%
Metal or Rubber	2%	75%
Tile or Slate	2%	75%
All Other	5%	75%

Definitions:

“Hail Damage” for the purpose of this Coverage, is defined as an identifiable mark of distress caused by hail to the Roof Surface that has measurably reduced the integrity and / or functionality of the overall Roof Surface, where the Roof Surface was sound prior to the hail impact. Hail damage is sometimes found in the form of a mat fracture or a deflection (bruise) which exposes the Roof Surface mat layer.

“Excessive wear and tear or deterioration” means:

1. Chipping, curling, clawing or cupping of Roof Surface material;
2. Natural shrinkage of the Roof Structure;
3. Brittle, cracked or blistered Roof Surface material;
4. Loss of granules exposing the felt or underlying tar membrane or other membrane;
5. Moss, algae or lichen growth.

This endorsement will not apply in the event of a total loss to the Dwelling or Detached Private Structure. All other terms and conditions of the policy to which this endorsement applies remain unchanged.

Swimming Pool Liners - The basis of settlement for swimming pool liners will be Actual Cash Value in all situations.

Unit Improvements and Betterments - (applicable to Tenants, Life Leases and Condominium Packages) If within a reasonable time after damage, you replace or repair loss or damage to your unit improvements or betterments with materials of similar quality, we will pay for the actual cost of repairs or replacement (whichever is less) without deduction for depreciation.

If loss or damage is not replaced or repaired within a reasonable time, we will pay the Actual Cash Value of the loss or damage at the date of the occurrence.

Replacement Cost on Contents Endorsement – (NOT applicable to EXTRA Homeowners Package – Form 998)

If the Coverage Summary Page indicates that Replacement Cost on Contents is included, we agree to pay any loss under Coverage C - Personal Property - on the basis of Replacement Cost provided that:

1. the property at the time of loss was usable for its original purpose;
2. you have repaired or replaced the property promptly.

Otherwise, the basis of claim payment will apply as if this coverage had not been in effect.

“Replacement Cost” means the cost, at the time of loss, of repair or replacement (whichever is lower) with new property of similar kind and quality, without deduction for depreciation.

Replacement Cost coverage does not apply to:

1. Property that has not been maintained in good or workable condition;
2. Property no longer in use for its originally intended purpose;
3. Antiques, fine arts, paintings, statuary and similar articles which, by their inherent value, cannot be replaced with a similar article;
4. Articles whose age or history contribute substantially to their value including, but not limited to memorabilia, souvenirs, and collector’s items.

We will not be liable for any loss under this insurance unless and until actual repair or replacement is completed.

You may elect not to replace some of the destroyed or stolen property. Settlement for the property not replaced will be on an Actual Cash Value basis. If, at a later date, you decide to replace any destroyed or stolen property, you are permitted to make an additional claim under this insurance but only if you present the claim within 180 days after the date of loss.

Replacement Cost on Contents Endorsement – (applicable only to EXTRA Homeowners Package – Form 998)

If the Coverage Summary Page indicates that Replacement Cost on Contents is included, we agree to pay any loss under Coverage C - Personal Property - on the basis of Replacement Cost provided that:

1. the property at the time of loss was usable for its original purpose;

Otherwise, the basis of claim payment will apply as if this coverage had not been in effect.

“Replacement Cost” means the cost, at the time of loss, of repair or replacement (whichever is lower) with new property of similar kind and quality, without deduction for depreciation.

Replacement Cost coverage does not apply to:

1. Property that has not been maintained in good or workable condition;
