

Agricultural Machinery and Equipment Floater - Ingestion Loss Deductible Endorsement – Form AP201

This endorsement modifies coverage provided under the Agricultural Machinery and Equipment Floater – Form AP200 to which it is attached.

With respect to any claim arising out of internal damage caused by ingestion of foreign object(s) such as stones, stumps, roots and the like, to insured combines, balers or forage harvest equipment, the deductible for each occurrence shall be the greatest of the following:

- i. the % of Loss Deductible as shown for this Endorsement on the Declaration Page,
- ii. the Minimum Ingestion Deductible as shown for this Endorsement on the Declaration Page,
- iii. the main deductible for the Agricultural Machinery and Equipment Floater as shown in the Declaration Page.

All ingestion losses will be settled on an Actual Cash Value basis.

EXCEPT AS OTHERWISE PROVIDED IN THIS FORM, ALL TERMS, CONDITIONS AND PROVISIONS OF THE POLICY TO WHICH THIS FORM IS ATTACHED SHALL HAVE FULL FORCE AND EFFECT.
