

Agricultural Machinery and Equipment Floater - Loss of Use Extension – Form AP205

This endorsement modifies coverage provided under the Agricultural Machinery and Equipment Floater – Form AP200 to which it is attached.

In consideration of premium indicated on the Declarations Page coverage is extended under the policy to reimburse the Insured for the expense incurred for the rental of substitute mobile agricultural machinery similar in size and capacity to an item insured which has become inoperative because of loss or damage exceeding the deductible amount and caused by an insured peril.

Reimbursement is limited per day to 10% of the amount shown on the Declaration Page for “Agricultural Machinery and Equipment Floater - Loss of Use Extension”.

Reimbursement shall end on the date of completion of repairs or replacement of the lost or damaged property or on the date that we make or tender settlement for such loss, whichever is first.

Deductible

No deductible applies to this coverage unless indicated on the Declaration Page.

EXCEPT AS OTHERWISE PROVIDED IN THIS FORM, ALL TERMS, CONDITIONS AND PROVISIONS OF THE POLICY TO WHICH THIS FORM IS ATTACHED SHALL HAVE FULL FORCE AND EFFECT.
